

To: State Water Board -

10/9/16

Public Comment
2016 Bay-Delta Plan Amendment & SED
Deadline: 1/17/17 12:00 noon

I am strongly in favor of the water Board proposal to increase, to at least 40% of the unimpaired flows, the river flows to the Stanislaus, Tuolumne & Merced Rivers. The fish & wildlife need the additional water to survive ~~and~~ and flourish.

I hope this passes.
