**Subject:** Comment Letter - 2016 Bay Delta Plan Amendment & SED  
**Date:** Friday, March 17, 2017 11:29:21 AM

---

Greetings:

The 2016 Bay Delta Plan Amendment & SED executive summary does not discuss private ownership of water rights affected by the plan, and proposals for compensation for takings.

I am a farmer using water from the Tuolumne and Merced River watersheds.

Thank you,

Mark Massingill
