

Mi nombre es Noemi
el motivo por el que escribo
esta carta es porque quisiera
dar mi opinion sobre el rio

yo pienso que si se incrementara
mas el nivel del agua.
serviria mucho para hacer
mas actividades con ~~et~~ la familia

Cuando hay mucha agua se puede
nadar, hacer lanchas y los niños
se divierten mucho y nos ayuda
mucho a distraer nos. y cuando
se baja el nivel de agua no se
puede porque ocurren accidentes.
se pueden golpear y pues no esta
bien.

tambien hay mucha hierba. se
ensucia mucho y eso no ayuda.

todo esto es para bien de la
familia, espero y esto sirva para
que nos apollen en eso. y nosotras
tambien estamos dispuestas a
aportar pues todo es para la
familia.

Agradececiamos mucho su
a pollo. Gracias

Hello my name is Noemi. The reason why I write this letter is because I wanted to give my opinion about the river. I think that if the water level were increased more, it would be very useful to do more activities with the family.

When there is plenty of water you can swim, take boats, and children have a lot of fun and it also help us a lot to entertain us. When the water level is low, accidents occur, such that they can be hit and then not be well. Also there are a lot of weeds and the river gets very dirty and that does not help.

All this is for the good of the family. I hope this helps you to support us (increase water levels) in that and we are also willing to support as it is for the good of the families.

We appreciate your support.

Sincerely,
Noemi Baylon
