Hi Jennifer,

I will track the names you provided in bold below as enrolled in your coalition. Both Joe Parrira and the Cottas should be on the exempt list. Vonathan Rankin's letter was returned in the mail so we will follow up with a delivery confirmation letter. Leo Alvarado just signed for his letter a few days ago, so it is not due yet. We will send him an NOV if he does not respond within the allotted time frame. The letter for Victor Dragovich was mis-routed by the post-office and has not yet been delivered. We may also send him a delivery confirmation letter.

Thank you for your help.

Wes

Alice Ramos, Jim Chew, Manraj Kahlon as well as Manuel & Thomas Salles are in good standing and should not receive NOV's.

I noticed you have Joe L. Parreira on the NOV sheet as well as the Exempt claim sheet.

Should Robert & Roberta Cotta be on the exempt list? We received a letter CC from them addressed to you.

Where are Vonathan Rankin, Leo Alvarado and Victor Dragovich? Any response on your end from them?

Thank you,
Jennifer

Jennifer

Greetings Jennifer,

Attached is a list of landowners who have not responded or completely responded to the 13260 Order by the required deadline. We plan on issuing these landowners a NOV within the next week. Would you please review the list and confirm if these landowners have not enrolled in your coalition? Also there is a second tab in the spreadsheet listing the landowners who have claimed an exemption to the program and will not be enrolling at this time. Water Board staff plans to conduct verification inspections to confirm these landowners exemption claims.

Thank you for your help with this,

Wes
