Dear Dania,

In response to your email on November 24, 2010 an additional appendix of sampling photos is being submitted for the 2010 Chlorpyrifos and Diazinon TMDL report (submitted October 31, 2010). Monitoring photos from both the ESJWQC and the Westside Coalition are included in the appendix.

Attached is the appendix of photos (Appendix VI) and a cover letter with an electronic signature by Parry Klassen (ESJWQC). We will mail in a cover letter with a wet signature tomorrow.

Please let me know if you have any questions,

Melissa

Good morning Melissa,

It is described in the field sheets for the ESJWQC compliance monitoring sites that pictures were taken at every site for every event. However, I could not find any of those pictures in the report or in CD. Could you please send me those? It appears that the Westside did not take any pictures, at least is not stated in the field sheets, is that correct?
