Hi Parry,

I received a call today from one of ESJ Coalition's growers. He stated that his landlord (Janette Schonhoff) received a letter from the ESJ Coalition stating that they need to enroll parcel 017-036-007. Accompanying the ESJ letter was the Central Valley Water Board letter providing the authority to require irrigated land coverage. I believe the CVWB letter was dated 8/23/10 and the one we drafted to provide the Coalition assistance when seeking out non-members. The caller stated that this parcel is already enrolled according to their most recent ESJ Coalition invoice.

I am contacting you to let you know that I have confirmed that this parcel is on your July 2010 membership list and that this parcel may still be on your mailing list of non-members.
