Calling him directly will be fine. I will know where he is when I get there.

Hi Joe,

Yes, no problem - we will set up a phone.

We can probably call Chris directly, as I think he will be the only one participating by phone.

Susan, I will be at the meeting, but could we make a phone line available so Chris could call in? Thanks.

Joe and Chris,

This is a follow-up to my email/phone call yesterday requesting a meeting date to discuss the results of the joint SJR C-D TMDL Report.

We have confirmed that folks from Regional Board, Westside Coalition, and Eastside Coalition are available for a meeting on Monday March 28 at 10:00 AM.

Please reserve that time on your calendars - and thank you for being available. We will send out an agenda prior to the meeting.

Susan
