Hi All,

If there is enough time after we discuss PGs, TMDLs, and WDRs, I would like to ask some questions about the ESJ Coalition's monitoring design and strategy, as it is laid out in the approved MRPP.

I am currently drafting the surface water quality monitoring and reporting requirements portion of the Coalition's new Order. As part of the process I've been reading the MRPP and need to get clarification in some areas.

Thanks,
Susan

That sounds good to me.

Hi melissa

Do you have any specific agenda items for ESJ. Otherwise we will focus on performance goals, TMDLs, WDRs.
