Chris,

Melissa was working on it last week and should have it done soon. She had to head to your shop to have a meeting with Janice Cook in the mercury TMDL program to discuss moving data to CEDEN. I expect her back by noon and she can update you at that time but I assume it should be done today or tomorrow.

Mike

Subject: TMDL decision tree

Hi everybody,

a couple weeks ago we held a teleconference meeting discussing the chlorpyrifos and diazinon TMDL decision tree. There were a few modifications for the Coalitions to make. Susan proposed that the decision tree would be revised and submitted to staff by 9/29/11. Please let me know when it can be submitted. thank you
