EAST SAN JOAQUIN WATER QUALITY COALITION – 2012-2014 MANAGEMENT PLAN PERFORMANCE GOAL UPDATE

Thank you for submittal of the East San Joaquin Water Quality Coalition (Coalition) Management Plan performance goal schedule update on 17 October 2011. The performance goals/measures and due dates are comparable to last year's 2011-2013 performance goal schedule. Consequently, I approve the Coalition's request to add the 2012-2014 Performance Goals/Measures to the current Management Plan.

In accordance with the Management Plan Development Timeline schedule approved in 2010, the Coalition will address each site subwatershed with a detailed focused management plan approach. Performance Goals for the 2012–2014 high priority areas (Table 1) and the completion deadlines are appropriate and similar to earlier sets of performance goals. The Coalition is currently implementing Performance Goals for the 2008-2010, 2010-2012, and 2011-2013 sets of priority areas.

Should the Coalition wish to revise or update any of its management plan performance goals, Executive Officer approval will be required prior to the implementation of any such changes. If you have any questions or comments regarding this approval, please contact Susan Fregien at (916) 464-4813, or by email at sfregien@waterboards.ca.gov.

Pamela C. Creedon
Executive Officer
