I reviewed the ESJ 2012 monitoring schedule. I compared the 2012 schedule to the MRPP. It all looks fine with the addition of Pimaphales promelas to the monitoring schedule for Deadman Creek @ Gurr Rd.

Hi Chris,

I talked to Melissa this morning and I have added Pimaphales promelas to the monitoring schedule for Deadman Creek @ Gurr Rd. I have attached the updated schedule to this email.

Cheers, Frank
