Jelena,

The attached memorandum is from the laboratory concerning the revised APPL April 2011 reporting errors.

Thanks,
Rachel

Hi Melissa,

Regarding the pesticide review for ARF 64443, we decided a re-training was more in order rather than a Corrective Action (since a corrective action usually results in a change of procedures, but in this case procedures are already in place).

The analyst and reviewer have signed the attached retraining memo.

Thanks,

Cynthia Clark- Project Manager
