Dear Susan,

The East San Joaquin Water Quality Coalition Management Plan Update Report for January through December 2011 has been uploaded to the sharepoint. The Coalition will drop off hard copies of the report, appendix and CDs before the close of business today. Parry Klassen is out of town this week; however, he will mail a hard copy of the cover letter with a wet signature to you as soon as he returns.

The entire pdf report (including the appendix) can be found on the MLJ-LLC sharepoint under the subfolder "Regional Board Documents > 12_MPUR_ESJWQC":<http://sharepoint.mlj-llc.com/MLJ-DB/database/forms/allitems.aspx>
