Good morning, Parry-

I know you are busy, and my guess is that your schedule is getting full very fast.

As discussed at the last ESJWQ management plan quarterly status meeting, there were multiple meetings to coordinate for the month of December when the next quarterly meeting was supposed to be. Given the many commitments for December, perhaps a meeting in January would be more convenient for the management plan update. Could you please let me know if the morning of 8 January 2013, which is a Tuesday, would work for the next quarterly meeting?

Mike has confirmed his availability for the day, and the SJCDWQC meeting is tentatively scheduled for the afternoon of the 8th.

Kind regards,

-Jelena

Hello Perry, Melissa and Mike,

The decision at the September Management Plan Quarterly Status meeting was to schedule the next meeting at a later time to make sure there were no conflicts with the Board hearing and the ESJWQC member meetings in December.

Would the morning of Tuesday, 8th January 2013 be good for our next meeting? Please feel free to suggest an alternate time if the suggested day wouldn't work for you.

Thank you,

-Jelena
