OK, I will make arrangements for Tuesday, September 14th at 10:00 am. I will send an agenda next week.

The other thing that I wanted to talk to you about is the ESJ Order. Joe wants to start initiating the discussions to begin this process and he indicated that he would like to start those discussions before November 2nd, which is when our next Mgtm Plan qrtly mtg is scheduled for. Additionally, it would be hard to combined the September 14th agenda items with the ESJ Order, which is going to be at least a two hours discussion. Thus, let's consider some potential dates in October to do that. We can talk about it in more detail tomorrow. What about

Wednesday, October 6 at 10:00 am

Tuesday, October 12 at 10:00 am

Wednesday, October 13 at 10:00 am

Thursday, October 14 at 10:00 am

Hi Dania,

Mike is on vacation this week so I will be attending the meeting by myself - I do not know if Parry plans to attend.

I did ask Parry about available dates and we came up with the following preferred dates:

September 9

September 14

September 15

Melissa

Subject: Organochlorine Pesticides TMDL Meeting

Good afternoon,

Tomorrow is Organochlorine Pesticides TMDL meeting, I was hopping to see you there. I will be attending to the first part and during the break I would like to talk to you about potential dates during the month of September that we can meet and discuss the:

- (1) 1 st and 2nd set of high priority areas regarding Mgtm Plan implementation
- (2) Implementation of the recommenced management practices for the 1 st set of high priority areas.
- (3) October 31st, TMDL report

Also, I wanted to talk to you about the letter that you are preparing to request a modification on monitoring (i.e. OC, nutrients, and metals) and see if you would like me to see a draft of that before submittal to make the approval process more efficient.

I am including the Organochlorine Pesticides TMDL Meeting agenda and the supplemental information.

Thank you

Dania
