Parry,

Attached is a MUCH IMPROVED pdf of the signed TMDL letter (thanks to Dania!).

I believe this will provide the quality that you need - but let me know if there are still any issues.

Thanks,
Susan

Thanks Susan.

Can you try and resave the pdf? It is a little on the low resolution side and we will be making copies to send out.

The other option is to send a hard copy and we'll scan it.

Thanks.

Parry

Subject: SJR TMDL Letter

Parry and Joe,

As per Parry's request, Joe K. and I have prepared an informational letter that can be used in your outreach efforts to Coalition members.

This letter describes the essential requirements and actions of the Coalition and of growers in relation to the Lower SJR Diazinon and Chlorpyrifos TMDL.

Thanks,
