Hi Dania,
Can we set up a time tomorrow to discuss your comments? The two items that I would like to discuss are:
Group A pesticides: RB comment regarding the need for a full years worth of data
TKN/Orthophosphate: RB comments regarding use of data and update of document from "omit" to "reduce"

I will be in the office all day tomorrow.

Thanks,
Melissa

Good morning,

Here are my comments on track changes to the ESJ-DRAFT-Request to Amend MRP Plan.

Please let me know if you have any questions. I am working from home today (so email is the best way to contact me) and tomorrow I will be in training. I will be in the office on Thursday.

Thank you

Dania
