Subject: General Questions and Comments on Waste Discharge Order

Separate and apart from the comments submitted on the East San Joaquin order here are a few questions in advance of our May 31 meeting.

Are refuges covered by this order?

Why does the Nitrogen Budget Template have to be approved annually? (WDR Page 21 VII D)

What is the fee schedule at 23 CCR section 2200? (WDR Page 28, XI I 2)

Shouldn't "for which irrigated agriculture is the source" be added to the first sentence on Page 7 C 3?

Does the ESJ MRP cover a two year period? (Attachment B, Page 8 C3)

Why could vulnerability designations change annually? (Attachment B, Page 13, IV A)
