John Muller, Chair
SF Bay Regional Water Board
115 Clay Street, Suite 1400
Oakland, CA 94612

Dear Mr Muller,

The Board's proposed cleanup level of 100 pieces of trash per 100 feet in a trash hot-spot is unacceptable. Please consider adopting a zero trash policy. The San Francisco Bay is one of our most precious resources; please help us protect it for future generations! Thanks, and I look forward to hearing from you on this matter.

Signed,

Jessica Taal
