Dear Mr. Candelaria:

Enclosed is a Complaint for Administrative Civil Liability (Complaint) issued to Alum Rock School District for the subject site. The Complaint alleges that Alum Rock School District has violated its waste discharge requirements by submitting its 2006/2007 annual report on February 13, 2008, 228 days past the July 1, 2007 deadline. The complaint proposes administrative civil liability of \$9,200.

A public hearing on this matter has been scheduled for the August 13, 2008, Water Board meeting in the Elihu M. Harris State Building, first floor auditorium, located at 1515 Clay Street, Oakland, California. The meeting agenda will be mailed to you prior to the hearing.

At this time, you have two options:

1. You can appear before the Water Board during the scheduled meeting to contest the Complaint; written comments are to be submitted no later than **5 pm on July 21, 2008**. At that time, the Board may impose the Administrative Civil Liability in the amount proposed, for a different amount, decline to seek civil liability, or refer the case to the Attorney General for judicial enforcement.
