SUBJECT: Tentative Order – Site Cleanup Requirements for the SFPP, L.P. Brisbane Terminal, San Jose, Santa Clara County, California

Dear Interested Parties:

Enclosed for your review is a draft copy of a Tentative Order concerning the adoption of site cleanup requirements for the SFPP, L.P. San Jose Terminal located in San Jose, California. Also enclosed are the Initial Study and Negative Declaration, prepared in accordance with the California Environmental Quality Act (CEQA), for the purpose of evaluating the proposed Remedial Action Plan for the site. The Tentative Order specifies remediation requirements for soil and groundwater contamination caused by releases from the facility. The Tentative Order establishes cleanup standards and requires remediation performance monitoring, effectiveness evaluations, contingency plans, and a monitoring program to assess groundwater conditions and impacts from potential new releases.

A copy of the Tentative Order, the Initial Study and Negative Declaration, and the Remedial Action Plan and Addendum is now available for review. Electronic copies can be downloaded from the Water Board's website at the following URL:

http://www.waterboards.ca.gov/sanfranciscobay/board_decisions/tentative_orders.shtml

Consideration of the subject Tentative Order is scheduled for the July 14th, 2010 Water Board meeting to be held at the Elihu M. Harris State Building, First Floor Auditorium, 1515 Clay Street, Oakland, California, beginning at 9:00am. Comments or recommendations you may have concerning the adoption of these Site Cleanup Requirements must be submitted to me in writing no later than June 7th, 2010. Comments received after this date cannot be given full consideration.

Should you have any questions please contact me at 510-622-2427 or akarpowicz@waterboards.ca.gov.

Sincerely,

Alyx J. Karpowicz, P.G.
Engineering Geologist
Groundwater Protection Division
