Re: San Francisquito Creek Joint Powers Authority **Request for Preparation of the Record and Confirmation of Delivery of Petition for Review and Reconsideration**; San Francisquito Creek Flood Reduction, Ecosystem Restoration, and Recreation Project; CIWQS Place No. 757384 (MB)

Dear Mr. Wolfe:

As required by the California Code of Regulations, Title 23, sections 2050 and 3867, we provide this letter to: (1) request the preparation of the Regional Board's staff record in this matter; and (2) confirm that we have provided you with a true and correct copy of the Petition for Review and Reconsideration of the San Francisquito Creek Joint Powers Authority (SFCJPA).

The SFCJPA has asked that its Petition for Review and Reconsideration, and accordingly also its request for preparation of the record, be held in abeyance pursuant to California Code of Regulations, Title 23, Sections 2050.5(d) and 3869(c) at this time, while the parties work expeditiously to successfully complete the SFCJPA's water quality certification process.

We wish to assure you that the SFCJPA has taken these steps for the purpose of preserving its rights. The San Francisquito Creek Joint Powers Authority remains optimistic that the
