John Muller, Chair  
S.F. Bay Regional Water Board  
1515 Clay Street, #1400  
Oakland, CA 94612

Dear Mr. Muller,

The SF Bay is filled with trash. I see it when I take my kids and dog to the Albany beach, Berkeley Marina, and the Emeryville waterfront. It's disgusting and I know that what we see is only a tiny portion of the pollution in the bay. The Board's proposed permit would require cities and counties to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "hot spot"---this does not go far enough.

Our precious Bay deserves the highest level of protection---zero trash!!

Thank you for your attention to this matter.

Sincerely,
