

March 30, 2009

Mr. John Muller, Chair
San Francisco Bay Regional Water Board
1515 Clay Street, Suite 1400
Oakland, CA 94612

Dear Mr. Muller;

The San Francisco Bay is filled with trash. It destroys recreation, impacts water quality and kills marine wildlife. The Board's proposed permit would require cities and counties to meet a clean-up level of only 100 pieces of trash for every 100 feet in a trash "hot spot." This does not go far enough! We feel strongly that our beautiful Bay deserves the highest level of protection – zero trash!

Sincerely,

A handwritten signature in cursive script that reads "Marguerite Jackson-Reinhardt".
