## Site Information

**Waterbody:** Alameda County Flood Control Channel

**Site Location:** This site is bordered on the west by Industrial Parkway SW, adjacent to the first culvert north of Whipple Road; upstream end of site is 100 yards south of the culvert; downstream end of site is 150 yards north of the culvert. The location listed is ACFC Zone 3A Line M.

**Jurisdiction:** City of Hayward

**Ownership:** Alameda County Flood Control

**Agency Contact:** Todd Rullman - Street Maintenance Supervisor (510) 881-7746  
todd.rullman@hayward-ca.gov

## Justification

Staff selected this location as it's historically been a frequent location for illegal dumping. Trash and debris ranges from furniture and appliances, to loose, transportable and buoyant litter that accumulates frequently at this location. The relative close proximity (50 yards) to multiple "fast food" restaurants also greatly increases the amount of litter in this waterbody. Staff followed the site selection process outlined in the ACCWP Trash Load Reduction Work Group Hot Spot Selection Guidance document.
