

## Site Information

**Site Location:** Colma Creek, 100 yards downstream of Utah Avenue Bridge in South San Francisco and immediately downstream of San Mateo County FCD Trash Hot Spot COL02

**Watershed:** Colma Creek

**Waterbody:** Colma Creek

**Jurisdiction:** Channel – San Mateo County Flood Control District, adjacent land – City of SSF

**Ownership:** San Mateo County Flood Control District

**Trash Pathways/Sources:** Accumulation from storm drain outfalls and local roadways, litter, & illegal dumping

**Site Identified by:** San Mateo County Department of Public Works

**Agency Contact:** Tim Stanfield, Road Maintenance Manager, Roads Division, San Mateo County Department of Public Works

## Justification

**Information Supporting Selection as a Hot Spot:** Photographic evidence (James & Kolb 2007) and waterbody fact sheet (Appendix C of 2008 Proposed Revisions to 303(d) List of Impaired Water Bodies in the San Francisco Bay Notice); Observations of trash by County of San Mateo Department of Public Works staff during Colma Creek Maintenance Monitoring Program quarterly inspections/creek walks and monthly cleanups

**Existing Cleanup Efforts:** ~Monthly trash cleanups in collaboration with the County Sheriff's Work Program

**Assessments:** "Virtual" Rapid Trash Assessment as part of the 2008 Proposed Revisions to 303(d) List of Impaired Water Bodies in the San Francisco Bay
