This is a follow-up to our first notice, issued December 4, 2007, of the opportunity to comment on the Tentative Order for the Municipal Regional Stormwater NPDES Permit for Discharges from Phase I Permittees in the San Francisco Bay Region (Tentative Order). At this time, we are re-distributing the Tentative Order, with corrected Errata, the associated Fact Sheet, and an errata sheet indicating the corrections incorporated in this December 14 version of the December 4 Tentative Order previously distributed. The Reporting Form (Attachment L to the Tentative Order) will be distributed next week.

The Regional Water Board will hold two hearings to consider the issuance of a Municipal Regional Stormwater NPDES Permit for the Phase I municipal stormwater permittees listed in the enclosed Tentative Order. The Water Board will receive oral public testimony on the Tentative Order at the first hearing as below:

DATE: Wednesday, February 13, 2008
TIME: 9:00 a.m. (approximate)
LOCATION: Elihu M. Harris State Building
First Floor Auditorium
1515 Clay Street
Oakland, CA 94612

At the conclusion of the February hearing, in response to written comments and testimony received, the staff may revise the Tentative Order to be presented to the Water Board for its consideration at an adoption hearing in spring 2008. Notification of the date, time, and location will be given at least 30 days prior to the adoption meeting.

The Water Board will not take action on the Tentative Order at the February hearing.

Prior to the adoption hearing, Water Board staff will release any proposed changes to the Tentative Order along with written responses to all comments received during the public comment period and at the February hearing. Oral public testimony at the adoption hearing will be limited to comments on changes proposed to the Tentative Order. At the conclusion of the adoption hearing, the Water Board will consider

Preserving, enhancing, and restoring the San Francisco Bay Area's waters for over 50 years

adoption of the Tentative Order, including changes to the Tentative Order that are a logical outgrowth of the evidence and testimony received.

The deadline for receipt of written comments on the Tentative Order is 5:00 p.m., Friday, February 1, 2008.

Written comments received after this date will not be considered or included in the preparation of the revised Tentative Order and related documents presented to the Water Board for their consideration. Written comments can be electronically submitted to mrp@waterboards.ca.gov prior to this deadline. If you prefer to mail comments in hard copy, address them to:
