Dear Mr. Hix:

TRANSMITTAL OF WASTE DISCHARGE REQUIREMENTS ORDER NO. R3-2014-0033, NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT NO. CA0049224 AND TIME SCHEDULE ORDER NO. R3-2013-0036 – CITY OF SAN LUIS OBISPO WATER RESOURCE RECOVERY FACILITY, 35 PRADO ROAD, SAN LUIS OBISPO, SAN LUIS OBISPO COUNTY (WDID 3 400107001)

At its public meeting on September 25, 2014, the Central Coast Regional Water Quality Control Board adopted Order No. R3-2014-0033 for the City of San Luis Obispo Water Resource Recovery Facility. Please review the requirements carefully and note that some modifications to previous monitoring requirements are specified. The Order will also be posted online at: http://www.waterboards.ca.gov/centralcoast/board_decisions/adopted_orders/index.shtml

Your renewed permit's effective date is provided on the Order. Please be aware that your California Integrated Water Quality System (CIWQS) database upload tool (i.e., Permittee Entry Tool) may need to be updated when your new permit becomes effective. Please update the tool to reflect permit changes prior to the effective date to avoid potential late reporting violations. If you need help with PET changes, please contact the CIWQS help desk.

Additionally, attached is Time Schedule Order No. R3-2014-0036, which provides a compliance schedule to complete facility upgrades for the final effluent limitations contained in your recently adopted NPDES permit.

Thank you for your time in assisting with the process of adopting Order No. R3-2014-0033. If you have questions regarding Order No. R3-2014-0033 or Order No. R3-2014-0036, please contact **Katie DiSimone at (805) 542-4638 or katie.disimone@waterboards.ca.gov** or Sheila Soderberg at (805) 549-3592.

Sincerely,

Kenneth A. Harris Jr.
Executive Officer
