Dear Mr. Manfre:

RESCISSION OF WASTE DISCHARGE REQUIREMENTS FOR FRANK CAPURRO AND SON VEGETABLE PACKING FACILITY, MONTEREY COUNTY

In 1995, the Central Coast Regional Water Quality Control Board (Central Coast Water Board) adopted Waste Discharge Requirements (WDRs) Order No. 95-21 to regulate the discharge of vegetable washwater at the Frank Capurro and Son Vegetable Packing Facility. Because the Frank Capurro and Son Vegetable Packing Facility no longer discharges vegetable washwater, there is no longer a need for Order No. 95-21. Consequently, Water Board staff recommends that the Central Coast Water Board rescind Order No. 95-21.

This letter is to notify you that, at a meeting scheduled for December 08, 2011, Water Board staff will recommend the Central Coast Water Board rescind the aforementioned Order No. 95-21. The Staff Report recommending the rescissions may be downloaded from our website at:

http://www.waterboards.ca.gov/centralcoast/board_decisions/tentative_orders/index.shtml

The December 8, 2011 meeting is scheduled to begin at 8:30 AM and will be held at the following location: (Note that this item may be considered by the Central Coast Water Board at any time during the meeting.)

Watsonville City Council Chambers
275 Main Street - 4th Floor (new bldg)
Watsonville, CA 95076

Persons wishing to comment on the proposed action must submit comments in writing to the address above no later than **October 13, 2011**. The Central Coast Water Board will not accept late comments or other written submissions on the proposed action unless the Chair rules that exclusion would create a severe hardship and that the late submission will not prejudice any party or the Central Coast Water Board. Any person asking to submit late materials must explain why the materials were not submitted earlier. The Chair will rule on any late submissions at or before the hearing. Late submissions that consist of evidence (as opposed to policy statements or comments) are generally prejudicial unless all designated parties and Water Board staff have time to consider the evidence before the meeting.

For more information regarding this rescission, you may contact **Tom Kukol** (805/549-3689 or tkukol@waterboards.ca.gov).

Sincerely,

Handwritten signature of Roger W. Briggs in black ink.
