**NOTICE OF PUBLIC HEARING
of
REVISION OF CONDITIONAL WAIVER WASTE DISCHARGE REQUIREMENTS FOR
DISCHARGES FROM IRRIGATED LANDS
ORDER NO. R3-2012-0011**

The California Regional Water Quality Control Board, Central Coast Region (Central Coast Water Board) proposes to revise Conditional Waiver of Waste Discharge Requirements for Discharges from Irrigated Lands, Order No. R3-2012-0011 and associated Monitoring and Reporting Program.

The Central Coast Water Board will hold a public hearing to consider approval of the proposed revisions to the Order on **December 5 - 6, 2013**, at the:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, California 93401

Interested persons are invited to submit comments in writing to the Central Coast Water Board at its office in San Luis Obispo or via electronic mail (centralcoast@waterboards.ca.gov) no later than **November 22, 2013 at 5 PM**. All comments received prior to that date will be considered in the formulation of staff recommendations regarding the revisions to the Order. The Central Coast Water Board will not accept written comments or other written submittals on the draft Order after **November 22, 2013**, unless the Chair of the Central Coast Water Board rules that exclusion would create a hardship, and that the late submission will not prejudice any party or the Central Coast Water Board. Any person submitting late comments or other submittals must explain why such materials were not submitted by **November 22, 2013**. The Chair of the Central Coast Water Board will rule on late submittals at or before the hearing. Late submittals that consist of evidence (as opposed to policy statements or comments) are generally prejudicial unless all parties and Central Coast Water Board staff have time to consider the evidence before the hearing.

Interested persons are invited to attend the hearing and may make oral comments relevant to the proposed action. Oral comments should summarize written comments. The Chair of the Central Coast Water Board will impose time limits on oral comments.

Documents related to this agenda item, including the proposed revisions and the associated staff report, will be available on the Central Coast Water Board's internet site at:
