**MODIFICATION OF CONDITIONAL WATER QUALITY CERTIFICATION FOR PROPOSED DEVIL'S GATE DAM INTERIM MEASURES PROJECT (Corps' Project No. 2011-00516-CO), LOS ANGELES RIVER, CITY OF PASADENA, LOS ANGELES COUNTY (File No. 10-170)**

Dear Mr. Kumar:

We are in receipt of your notification on September 7, 2016, requesting modification of your Conditional Clean Water Act Section 401 Water Quality Certification for the Devil's Gate Dam Interim Measures project issued on June 14, 2011 (Certification).

Los Angeles County Flood Control District (Applicant) is requesting an extension of the expiration date of the Certification. While the Certification and other permitting for the Devil's Gate Dam Interim Measures project will become unnecessary after implementation of the Devil's Gate Sediment Removal and Management Project (File No. 15-053), this extension will allow interim measures to continue, as needed, until that time.

Certification 10-170 is hereby extended. All conditions and requirements of Certification 10-170 shall remain in effect.

The Certification is modified as shown below. Attachment B, Condition 29, will read:

29. This Certification shall expire on July 6, 2021.

I have determined that the above-proposed modifications do not constitute a significant change in the nature or scope of the activities described for the project in your original application. Therefore, all of the proposed modifications are hereby incorporated into 401 Certification No. 10-170 and no additional action by this agency pursuant to Section 401 of the Clean Water Act is necessary. This determination is limited to the proposed modifications contained in your

notification to this Regional Board dated September 7, 2016 and described herein, and does not eliminate the Applicant's responsibility to comply with any other applicable laws, requirements and/or permits.

Should you have questions concerning this certification action, please contact Valerie Carrillo Zara, Section 401 Program, at (213) 576-6759.

Sincerely,

  
Samuel Unger, P.E.  
Executive Officer
