### WHO SHOULD ATTEND?

Local Governments, Infill Developers and Builders, Environmental Attorneys, Environmental Consultants, and Environmental and Community Interests Who Work with State Environmental Regulators or are Interested in Regulatory Oversight of Brownfield Cleanups

### WORKSHOP OBJECTIVE

**“Overseeing Brownfields Cleanups”** will present the recently negotiated draft Memorandum of Agreement between the Department of Toxic Substances Control and the State and Regional Water Quality Control Boards. Information will be presented on new processes to be used for selecting oversight agencies and cleanup requirements for brownfields. Open discussion will center on changes from current or previous practices, as well as ideas and suggestions from participants about the draft agreement and its impacts on those outside of Cal/EPA.
