Attn: Renee Purdy

Dear Ms. Purdy:

### **SANTA MONICA BAY JURISDICTIONAL GROUP 7 WATERSHED MANAGEMENT PLAN GROUP JUNE 2016 SEMI-ANNUAL MONITORING DATA SUBMITTAL**

The City of Los Angeles, on behalf of the Santa Monica Bay Jurisdictional Group 7 Watershed Management Plan Group (SMB JG7 WMP Group), which also includes the Los Angeles County Flood Control District, is submitting this Semi-Annual Report for the SMB JG7 WMP Group's Coordinated Integrated Monitoring Program (CIMP) consistent with the requirements of Order No. R4-2012-0175 Attachment E, Monitoring and Reporting Program (MRP) - No. CI 6948. Commencement of implementation of the CIMP is required within 90 days of approval; however, the SMB JG7 WMP Group's CIMP has not been approved as of yet.

As per Part IV.C.8 of the MRP, monitoring requirements pursuant to Order No. 01-182 and Monitoring and Reporting Program CI 6948, and pursuant to approved total maximum daily load (TMDL) monitoring plans identified in Table E-1 of the MRP remain in effect until the Executive Officer of the Los Angeles Regional Water Quality Control Board (Regional Board) approves the SMB JG7 WMP Group's CIMP. As such, the monitoring data submitted as part of this Semi-Annual Monitoring Report correspond to pre-CIMP approval monitoring under the Santa Monica Bay Beaches Bacterial TMDLs Coordinated Shoreline Monitoring Plan (CSMP).

*zero waste • one water*

Page 2 of 2

All data collected at sites identified in the CSMP were previously submitted and exceedances flagged as part of the monthly reporting process. The attached electronic spreadsheet includes these data to meet the requirements of MRP Section XIV.L to submit monitoring results from each receiving water or outfall-based monitoring station.

If you have any questions regarding our submittal, please contact me at [Shahram.Kharaghani@lacity.org](mailto:Shahram.Kharaghani@lacity.org) or (213) 485-0587.

Sincerely,

SHAHRAM KHARAGHANI, PhD, PE, BCEE  
Program Manager
