NOTICE OF PUBLIC HEARING, COLLINS PINE COMPANY, CHESTER SAWMILL, WASTE DISCHARGE REQUIREMENTS ORDER R5-2009-0015 (NPDES PERMIT CA0004391), CHESTER, PLUMAS COUNTY

TO ALL CONCERNED PERSONS AND AGENCIES:

Enclosed is a Notice of Public Hearing regarding a tentative Time Schedule Order (TSO) for the Collins Pine Company's Chester Sawmill. The Central Valley Water Board previously scheduled a public hearing to consider adoption of the tentative TSO at its 4/5 December 2014 meeting. However, in order to give more time for Central Valley Water Board staff to consider comments received on the tentative TSO, and make minor revisions, the public hearing was rescheduled to the Board's **5/6 February 2015 Board meeting**.

To conserve resources, this letter transmits a paper copy of the tentative TSO to the discharger only. Interested persons are advised that full text of the documents is available on the Central Valley Water Board's web site at

http://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders/

Copies of these documents can also be obtained by contacting or visiting the Central Valley Water Board's Redding office at 364 Knollcrest Drive, Suite 205, Redding, California, weekdays between 8:00 a.m. and 5:00 p.m.

If you have any questions regarding the tentative TSO, or the scheduling of the Public Hearing, please contact Zack Chandler of my staff at (530) 224-4206, zack.chandler@waterboards.ca.gov, or at the footer address.
