ADMINISTRATIVE CIVIL LIABILITY COMPLAINT R5-2016-0542, WILLIAM AND MARIA EGLESTON

Enclosed is an Administrative Civil Liability (ACL) Complaint, issued pursuant to California Water Code section 13323. This ACL Complaint alleges that William and Maria Egleston (Dischargers) failed to submit a Report of Waste Discharge as required under Water Code section 13260, and recommends an administrative civil liability pursuant to Water Code section 13261 in the amount of **twenty two thousand twenty two dollars (\$22,022)**.

You may:

- Pay the proposed administrative civil liability and waive the right to a hearing (Option 1 on the attached waiver form—see Attachment J);
- Ask that the hearing be postponed to facilitate settlement discussions or for other reasons (Options 2 or 3 on the attached waiver form—see Attachment J); or
- Contest the ACL Complaint and/or enter into settlement discussions without signing the enclosed waiver.

If the Central Valley Water Board does not receive a signed waiver by **5:00 p.m. on 24 August 2016**, a hearing will be scheduled for **3/4 November 2016** before a panel of the Central Valley Water Board. This hearing will be governed by the attached Hearing Procedure and held at 1685 E Street, Fresno, California. Any objections to the Hearing Procedure must be received by Andrew Deeringer, whose contact information is listed in the Hearing Procedure, by **5:00 p.m. on 18 August 2016**.

If the Dischargers would like to engage in settlement negotiations and assert an inability to pay the proposed liability, they should submit detailed financial information to the Central Valley Water Board along with a waiver requesting settlement discussions by **24 August 2016**. Appropriate documentation includes the last three years of signed

federal income tax returns and schedules, credit card or line of credit statements, mortgage loan statements, bank account statements, or any other document that explains the special circumstances regarding past, current, or future financial conditions.

In order to conserve resources, this letter transmits paper copies of the documents to the Dischargers only. Interested persons may download the documents from the Central Valley Water Board's Internet website at:
