

Your Farm Evaluation Is Late!

Disregard this notice if you have recently mailed your Farm Evaluation

The deadline is past due but please complete and return your Farm Evaluation ASAP.

If you need another copy of your survey please call us or email us.

The Water Board expects 100% of our members to submit a Farm Evaluation. To date we have 70% returned. Please return your Farm Evaluation so we don't have to find out what the Water Board does if we do not have 100% response.

Your information will be combined with other members in a summary report.
