Edmund G. Brown Jr.
Governor

NOTICE OF PUBLIC MEETING

Central Valley Water Board staff is currently developing an amendment to the Water Quality Control Plan for the Sacramento River and San Joaquin River Basins (the "Basin Plan"). The proposed amendment will revise groundwater beneficial use designations in the Hodson/Littlejohns Fault Zone area, which is located near Copperopolis in western Calaveras County. The Basin Plan amendment is under development because groundwater in portions of the Hodson/Littlejohns Fault Zone area may not support the uses currently designated in the Basin Plan, largely due to high salinity found in the groundwater.

As part of a public outreach effort, Board staff will meet with members of the public on Saturday, 20 August 2011, to discuss the current environmental conditions in the Hodson/Littlejohns Fault Zone area, and to explain the Board's process to individuals that may be affected by the Board's actions. Additional information regarding the proposed amendment is available for download at: http://www.waterboards.ca.gov/centralvalley/water_issues/basin_plans/hodson_littlejohns_fault_zone/index.shtml

Meeting Location	Copperopolis Fire Protection District 370 Main Street Copperopolis, CA 95228
Date	20 August 2011
Time	10:00 am to 12:00 pm

The facilities will be accessible to persons with disabilities. Individuals requiring special accommodations are requested to contact Gene Davis at (916) 464-4687 at least 5 working days prior to the meeting. TTY users may contact the California Relay Service at 1-800-735-2929 or voice line at 1-800-735-2922
