On 25 May 2018, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability granting coverage under the State Water Resources Control Board's *Statewide General Waste Discharge Requirements for Discharges to Land with a Low Threat to Water Quality* (Order 2003-0003-DWQ) to Bianchi Ranch Partners, LLC, for construction dewatering.

Your Notice of Termination, dated 25 September 2019, states that no further discharges from the project will occur and you wish to terminate coverage under the General Waste Discharge Requirements. Based on that information, coverage under Order 2003-0003-DWQ-0187 is hereby rescinded.

If you have any questions about the rescission, please contact Scott Armstrong at (916) 464-4616 or sarmstrong@waterboards.ca.gov.
