**RESCISSION OF COVERAGE UNDER WATER QUALITY ORDER 97-10-DWQ,  
GENERAL WASTE DISCHARGE REQUIREMENTS FOR SMALL DOMESTIC  
WASTEWATER TREATMENT SYSTEMS, GURU NANAK SIKH SOCIETY OF YUBA  
CITY, GURU NANAK SIKH SOCIETY TEMPLE, SUTTER COUNTY**

On 14 May 2014, the Executive Officer of the Central Valley Regional Water Quality Control Board (Central Valley Water Board) issued a Notice of Applicability (NOA) granting coverage under the State Water Resources Control Board's *General Waste Discharge Requirements for Small Domestic Wastewater Treatment Systems* (General Order 97-10-DWQ) to Guru Nanak Sikh Society Temple.

The Central Valley Water Board received a Notice of Termination dated 30 January 2023 stating that the proposed wastewater treatment system described in the NOA was never constructed due to financial funding issues and the COVID-19 pandemic. The Discharger plans to construct a new scaled down system, but has not yet finalized design and construction plans. Prior to the new treatment system discharging to land and depending on the type of system constructed, the Discharger will apply for a new permit through the Central Valley Water Board or through Sutter County. Based on that information, coverage under General Order 97-10-DWQ-R5165 is hereby rescinded.
