**RESCISSION OF COVERAGE UNDER WAIVER OF WASTE DISCHARGE REQUIREMENTS FOR SMALL FOOD PROCESSORS, WINERIES, AND RELATED AGRICULTURAL PROCESSORS WITHIN THE CENTRAL VALLEY REGION, RISK WINERY, SAN JOAQUIN COUNTY**

On 2 February 2022, the Executive Officer of the Central Valley Regional Water Quality Control Board (Central Valley Water Board) issued a Notice of Applicability granting coverage under the Waiver of Waste Discharge Requirements for Small Food Processors, Wineries, and Related Agricultural Processors within the Central Valley Region (Waiver R5-2020-0002) to Risk Winery in San Joaquin County.

The Central Valley Water Board received a Notice of Termination on 8 July 2022 stating that discharges to land never occurred because the sale of the new winery did not happen; therefore, the Waiver is no longer needed. Based on that information, coverage under R5-2020-0002-0093 is hereby rescinded.
