TENTATIVE WASTE DISCHARGE REQUIREMENTS FOR MARLEY COOLING TOWER COMPANY SAN JOAQUIN COUNTY

Enclosed for your review and comment are tentative Waste Discharge Requirements (Order) for the Marley Cooling Tower Company's Stockton facility. This tentative Order covers the groundwater extraction and treatment system and implementation of the upcoming full-scale in-situ groundwater treatment. Any comments you may have concerning the enclosed tentative Order should be submitted to this office by **11 September 2007**. The Order will be considered for adoption by the Regional Board at its regular hearing, to be held at 9:00 a.m. on Thursday and Friday, 13 and 14 September 2007.

If you have any questions regarding this Order, please contact Brett Stevens of my staff at (916) 464-4642, or via email at bstevens@waterboards.ca.gov.
