Subject: MS4 permit request

Dale,

Considering the complexity of the Fresno/Clovis tentative order (NPDES Permit No. CA0083500) and that the revised SWQMP (due 6 months after the permit adoption date also) will not yet of been reviewed publically and not yet approved by the RWQCB, -, the Permittees are requesting that the submittal date for reviewing and revising the MOUs between the Permittees be changed to 12 months after the adoption date of the permit instead of 6 months.

I appreciate your consideration of my request.

Regards,
Daniel Rourke
