Todd:

The City has been requesting a copy of the contract to complete the Dellar Landfill closure and has not received a copy. We are prepared to pay one-half the cost after we have a copy of the contract and invoices for work completed. We have been trying to obtain this information through discovery in the lawsuit as well as through subpoenas to no avail.

Tim and Jeffory, can you provide me with an update on the Dellar Property. Has any work begun or do you have a schedule? Please advise. Thank you.
