

ITEM: 22

SUBJECT: Aerojet Rocketdyne, Inc, Sacramento County

BOARD ACTION: *Update on Cleanup at the Aerojet Rocketdyne Superfund Site – Informational Item Only*

BACKGROUND: Aerojet General Corporation, now Aerojet Rocketdyne Inc., operates a rocket manufacturing and testing site in eastern Sacramento County. Past operations and disposal practices have resulted in significant soil and groundwater contamination. In 1983 Aerojet was placed on the initial Superfund List. The groundwater contamination covers over 30 square miles and has had major impacts on local water suppliers. Investigation and remediation of the contamination has been taking place for over 30 years.

ISSUES: None

RECOMMENDATION: This is an informational item only. No action needs to be taken.
