Mrs. Kristen Gomes, Senior Engineering Geologist
California Regional Water Quality Control Board
Central Valley Region
1685 E Street
Fresno, California 93706

**RE: DRAFT TENTATIVE WASTE DISCHARGE REQUIREMENTS (DTWDRs)
FOR THE WOODVILLE SOLID WASTE DISPOSAL SITE (SWDS),
TULARE COUNTY.**

Dear Mrs. Gomes:

In accordance with the Regional Water Quality Control Board (RWQCB) letter dated February 11, 2022, Tulare County is pleased to provide comments to the DTWDRs for the Woodville Disposal Site. Please note that the following comments are made regarding the DTWDRs transmitted to us with the above referenced RWQCB letters. Our comments follow the sequence in which they are found in the DTWDRs and Monitoring and Reporting Program.

F. Financial Assurances

Item no. F.3.- This item requires that annual reviews of Financial Assurance for corrective action and closure/post closure maintenance be submitted June 1 of each year.

Comment- To keep the financial assurances process timing and documentation consistent for all our sites, the County requests the date be changed to October 1, as required in all other Tulare County WDRs.

MONITORING AND REPORTING PROGRAM

D. Reporting requirements

Table 18

This section states that the reporting deadline for the Financial Assurances Report is June 1.

The County fiscal year ends on June 30. It is requested that the end of the reporting period coincide with that date. The County requests that the date coincide with all its other landfill WDRs and be changed to October 1.

7. Financial Assurances Report

This section states that financial assurances report be submitted by June 1.

The County requests that this date coincide with other WDRs and use the date of October 1.

Attachment B

In this table, the Inorganics listed require USEPA Method 6010, 7041, 7131A, 7062, 7421, 7470A, 7521, 7742, and 7841 with Sulfide is listed under USEPA Method 9030Bx and Cyanide is listed under USEPA Method 9010C.

The County requests the use of USEPA Method SM4500SF for Sulfide and SM4500CN for Cyanide. The County also requests the use of USEPA Method 200.8 for all other Inorganics listed to be consistent with Attachment B-Dissolved Inorganics list of the Visalia Landfill MRP R5-2021-0009 adopted 18 February 2021.

Thank you for this opportunity to comment on the draft tentative WDRs for the Woodville SWDS. Please contact me at 559-624-7206 should you have any questions.

Yours very truly,

Jonah Treviño
Environmental Coordinator
Tulare County Solid Waste Dept.
