## **AGENDA ITEM 9 BOARD COMMUNICATIONS**

### **Dr. Longley**

In September attended the initiation meeting, representing the California Water Institute on the public advisory committee, for the California Water Plan Update 2013. He said that this will be an on-going process and encouraged people to attend meetings.

### **Soapy Mulholland**

Member Mulholland said that she was still very active in the Southern Sierra Integrated Regional Water Management Plan (IRWMP) Dr. Longley spoke for Soapy and said that Soapy was still the Board's Representative to the Stewardship Council and thanked her for her continued effort.

## **AGENDA ITEM 10 PUBLIC FORUM**

Paul Martin (Western United Dairywomen), stated that at yesterday's meeting, the Food and Water Watch requested modification of the Dairy Monitoring and Reporting Program.

Annie AcMoody, (Western United Dairywomen), gave an update on the economic conditions of the Central Valley Dairy Industry.

J.P. Cativiela (Dairy CARES Coalition), urged the Board to continue with the revision of the Dairy Monitoring and Reporting Program. If consideration of the program is put on hold, then installation of wells at individual dairies should also be put on hold.

## **AGENDA ITEM 11 EXECUTIVE OFFICER'S REPORT**

Dr. Longley stated on the item on CV Salts in the EO Report, the Executive Officer has been very instrumental in moving this on, with other people who have shown an interest in joining the effort. He said that there is a need for greater public and agency participation in CV Salts. This matter will be addressed on 24 February at the Central Valley Salinity leadership meeting to be held at CalEPA and urged the Board members to attend this critical effort. Executive Officer encouraged the Dairy Industry to attend as well.
