Tour Notes

- RSVP to Angela Wilson at 530-224-4856 or angela.wilson@waterboards.ca.gov by **October 7th**. Individuals requiring special accommodations are asked to make a request by this date. TTY users may contact the California Relay Service at 1-800-735-2929 or voice line at 1-800-735-2922.
- We will be traveling to a remote area for this tour, adherence to the schedule is critical.
- Access to the tour area will be provided to the public, however transportation will not be provided.
- Water, snacks and ice chests will be provided.
- Lunch will not be provided.
- There will be opportunities to use a porta-potty at several stops (see stops with asterisk).
- Should you suffer from car-sickness, please notify your driver and arrange your seating location appropriately.
- There will be no hiking, but please wear sturdy, closed-toed shoes as stops will be on uneven terrain.
- Please dress in layers as weather conditions are unknown at this time, it could be cool, rainy and/or a bit windy.
- There will be several excellent vista stops; you may wish to bring binoculars.

PLEASE NOTE: Last minute changes to the tour may have to be made to accommodate the total number of attendees, weather/road conditions, and any requests for special accommodations. Any changes will be provided the day of the tour.
