

**Date:**

October 10, 2007

**Applicant:**

City of Indian Wells

**Project Name:**

Mountain View Villas Senior Apartments

**Receiving Water:**

Whitewater River Channel / Coachella Valley Storm Water Channel, tributary to the Salton Sea

**Location:**

The proposed project will take place on the north bank of the Coachella Valley Stormwater Channel, downstream of Miles Avenue, in the City of Indian Wells, Riverside County, California, within Section 24 of Township 5 South, Range 6 East, SBB&M.

The project location is further described as 33° 43' 07.00" North Latitude by 116° 18' 37.96" West Longitude.

**Project Description:**

The Applicant proposes to construct 795 linear feet of concrete slope protection and remove and install a new cut-off wall and on the northern slope of the Coachella Valley Stormwater Channel, downstream of Miles Avenue. The Project would extend the concrete slope protection that exists on the north bank of the Coachella Valley Stormwater Channel to prevent erosion of the banks and channel and the undermining of the existing slope protection. For access to the project site, the Applicant proposes to install a temporary access road with temporary diversion berm within the Coachella Valley Stormwater Channel. The access road and berm will be removed and disturbed soil will be compacted upon completion of the proposed project.

**Action:**

Pending
