Good Morning Wayne,

That sounds good. April 15<sup>th</sup> at 9am prior to our TAC meeting we will have the Pre-ROWD meeting. I'll try to see if we can somehow have the meeting during the week of April 6-10 if the Copermittees' schedules become open. I will notify you if anything changes.

The Pre-ROWD and TAC meeting will both be held at the **City of Murrieta** next month in their DRC conference room. The address is as follows...

**1 Town Square  
Murrieta, CA 92562**

If you should have any questions, please call or email me. Thank you.

Hi Eric,

Unless you can find a date that works during the week of April 6-10, April 15 before the TAC meeting will work. We can be in Temecula around 9am.

Thanks,

Good Morning Wayne,

I'll ask the Co-Permittees to see if they are available during the week of April 6-10. If this doesn't work, I believe we can have the meeting prior to our SMR TAC meeting on April 15<sup>th</sup>. I'll try to get you an answer by early next week. Thank you.

Hi Eric,

March 31 is Cesar Chavez Day, a holiday for us. So, unfortunately, that's the one day that won't work for us. Assuming no other days during the weeks of March 23-27 and March 30-April 3 work for you, is there anything that will work the following week, April 6-10?

Thanks,  
Wayne

Hi Wayne,

It looks like the only day that all of the Copermittees are available to have the meeting will be on **March 31<sup>st</sup> (Tuesday) at 9am**. Aldo (City of Temecula) was able to reserve their Great Oaks Conference room for us from 9am to 12pm. If anything changes, please let me know. Thank you.

Hi David and Eric,

We'd like to set up a meeting with the Riverside County Copermittees to discuss your Report of Waste Discharge and start talking about the MS4 permit reissuance process. Can you send me some dates that will work for your group during the weeks of March 23-27 and March 30-April 3? We can meet you in the Riverside County part of the San Diego Region, or you can come to our office.

Thanks,

**Wayne Chiu, PE**
