On May 25, 2012, Clean Water Act Section 401 Water Quality Certification No. 12C-030 (Certification) was issued to the U.S. Army Corps of Engineers, Los Angeles District (Applicant) for the Oceanside Harbor Maintenance Dredging Project (Project).

By email dated May 18, 2017, the Applicant requested the Certification be amended to extend the expiration date an additional 18 days to complete the annual dredging and demobilization for 2017. The Applicant is required to submit a new application for Clean Water Act Section 401 Water Quality Certification for any future dredging activities.

Based on the Applicant's request, the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) is amending the Certification to extend the Certification an additional 32 days. Except as modified or superseded by the Amended Certification modification set forth below, all of the findings, provisions and other requirements of Certification No. 12C-030 remain in full force and effect. The following changes are made to Certification Amendment No. 12C-030 and are shown in underline/strikeout format to indicate added and removed language:

1. Page 5, General Condition A.1 is modified as follows:
